

Love,

YOU

absolutely value

I

Dear,

You are not a y-axis!

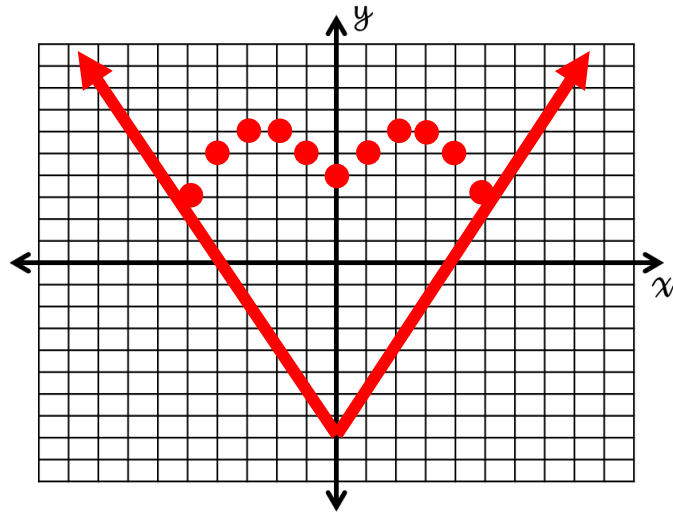

Our love will never be divided.

You mean the world to me; you are so not average.

I less than 3 you.

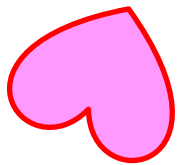

You are the solution to my problem.

Love,

YOU

absolutely value

I

Dear

You are not a y-outside!

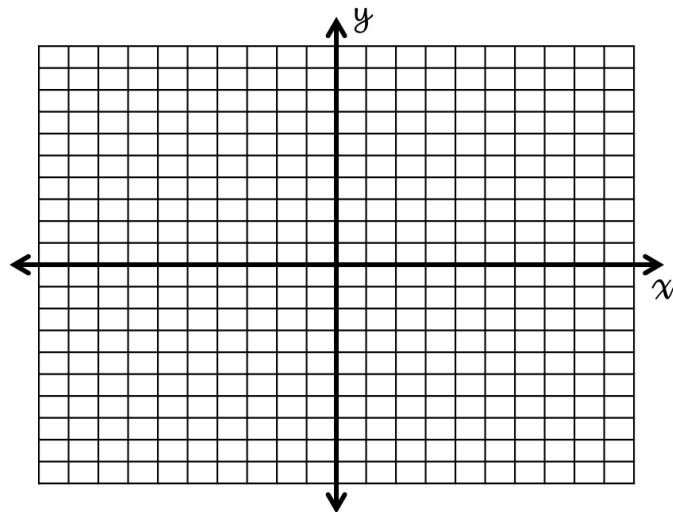

Our love will never be divided.

You mean the world to me; you are so not average.

I less than 3 you.

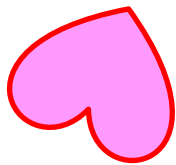

You are the solution to my problem.

I

Dear

You are cute-y-d!

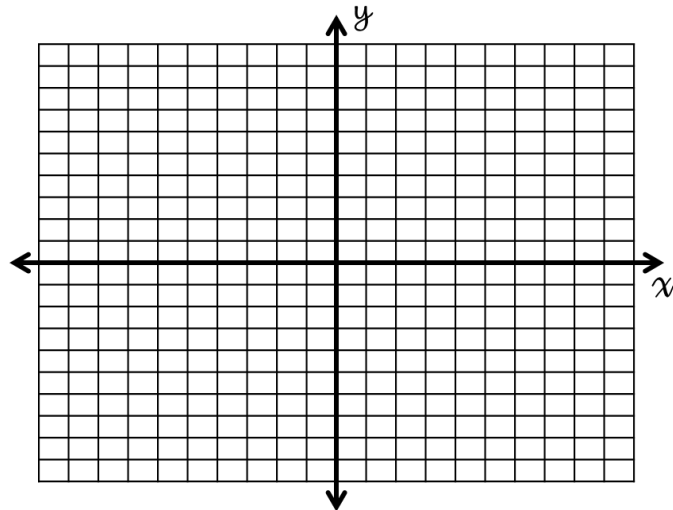

Our love will never be divided.

You mean the world to me; you are so not average.

I less than 3 you.

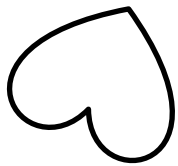

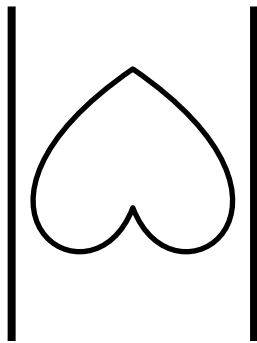

You are the solution to my problem.
